# JUSTICE ACTION COALITION

Leaders committed to taking  
action for justice for all.

**Promote  
people-centered justice  
domestically and  
internationally**

**Mobilize  
political and financial  
support for  
Justice for All**

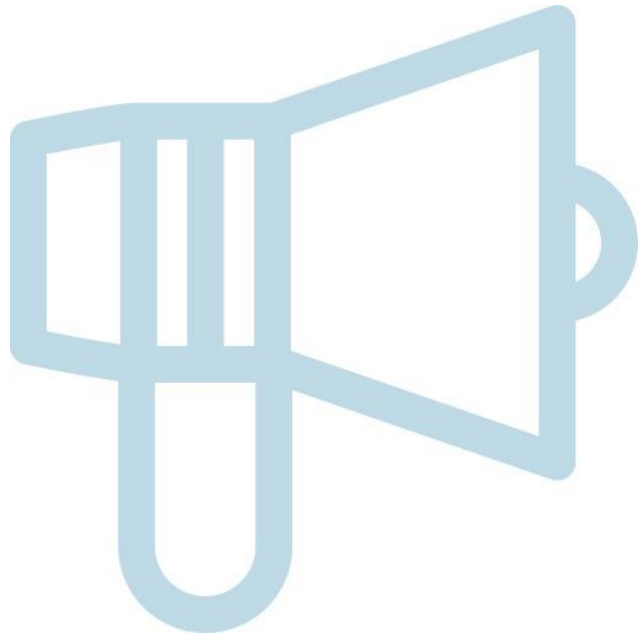

**Justice Action Coalition**

**Join forces  
to influence international  
strategies and priorities**

**Set out a  
common research agenda  
for people-centered justice**

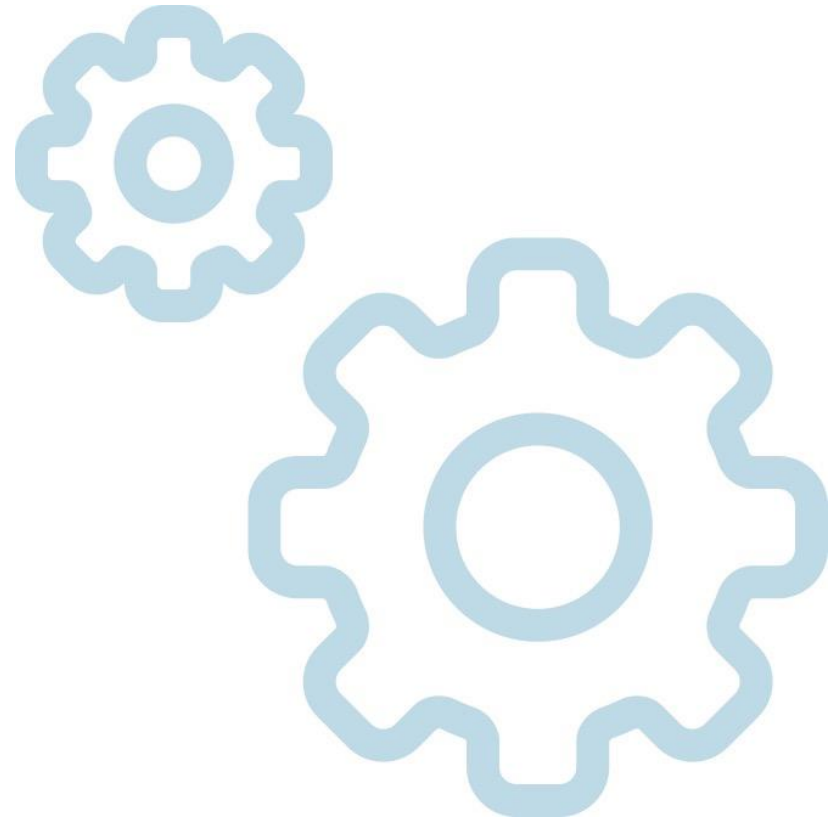

- Countries from different regions and income levels.
- Countries are Pathfinders or will be invited to join.
- Link to the Justice Alliance, a group of global and regional partners working for justice for all.
- Closer collaboration with intergovernmental organisations UNDP, OECD, OGP, IDLO, the World Bank, EU and ECOWAS.

- Initiatives to promote SDG16+ and people-centred justice, in partnership with some or all of the other coalition members.
- Provide strategic guidance to the Pathfinders on their work to promote justice for all,
- Oversee the implementation of the agenda for action set out by the Task Force on Justice in its Justice for All report.

- Yearly meeting, online or in person, with high-level representatives from member countries.
- Strategic exchanges to inspire, take stock of progress, share experiences, identify opportunities and align efforts to promote people-centred justice.
- Workstreams to be developed at working level.
- Secretariat functions provided by the Justice team at the Pathfinders for Peaceful, Just and Inclusive Societies.
